About Brooklyn's Playground:

Brooklyn's Playground is the Valley Pride-led effort to build the community's first inclusive playground at OK Ward Park in Pocatello. These special playgrounds are designed to allow children with disabilities to play side-by-side with their non-disabled peers in a safe, stimulating and fun environment. Located centrally for the valley, Brooklyn's Playground will be the destination of choice for the area's children, and will be a community asset for years to come.
