

# We're Helping Feed the Brooklyn's Playground Volunteers!!

September 19-24  
OK Ward Park

From the Community's Heart,  
The Gift of Play

[www.brooklynsplayground.org](http://www.brooklynsplayground.org)

Brooklyn's Playground is a community-wide volunteer effort to build the first fully-inclusive playground for the Pocatello/Chubbuck area, a place where children of all abilities can come together, interact, and grow through "the gift of play."

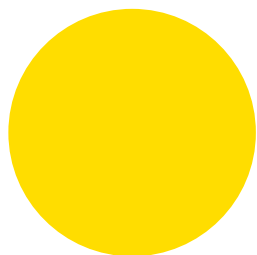

It is also a place where parents and grandparents with limited mobility can be part of their children's and grandchildren's lives!

Up to 1,000 volunteers from the community will be involved in building Brooklyn's Playground: 450-550 per day, working in three 4-hour shifts.

Over the course of six days, 18 meals plus snacks and beverages will be provided to these volunteers to keep them fed, fueled, hydrated, and ready to work: **nearly 4,000 individual meals.**

Post this flier in your window to let the community know that you are helping feed the playground volunteers. (Check with your accountant – Your generous contribution may be tax deductible.)

**Thank You** for supporting the Brooklyn's Playground "Build Week" and being part of making the miracle happen!
